

**Primary Care & Prevention Focused Model of Care
Webinar October 29, 2024**

We are pleased to invite you and your staff to a special Zoom presentation on the Medicaid Primary Care & Prevention Focused Model of Care updates effective September 1, 2024. This is the third rendition in this series of monthly trainings that AmeriHealth Caritas New Hampshire, NH Healthy Families, and WellSense, will be hosting together.

We will also be discussing the recent billable codes that have been reimbursable to eligible providers effective September 1, 2024, for certain services related to health risk assessments, care coordination and comprehensive medication reviews.

When: **Tuesday, October 29, 2024, 12:00 PM EST**
Where: **Zoom**
Duration: **60 minutes**
